

# AMAZING GUITAR LESSON SUCCESS STORIES

Croquet anyone? As you can see, I was a real dip-wad, a truly incurable case. I needed help in the worst way.

Lessons with Sam have transformed me from a plodding, couthful normaloid to the vile radically sickodelic rock mutant I and now in record time. Thanks to Sam, I'm scum, and I love it!

Like . . . ah . . .  
. . . uh . . .  
like ah . . .  
you . . .  
know . . . uh  
. . .hmm . . .  
Where's Jerry? . . .  
Oh . . .Wow  
. . .  
Phlumph!

Before I had to concentrate just to keep from nodding out . . . now I can reharmonize all the great Partridge Family hits in twelve keys while simultaneously balancing my checkbook—without even mussing my brow. I'm cured!

## Save yourself from needless misery.
