

Speed Rules!!

Guitar Lessons for the Terminally Fast

Now you can . . .

Sound like a guitar stuck in a cuisinart at high speed.

Give your wildly appreciative audiences harmonic vertigo . . . and watch them throw up!!

Learn secret methods for increasing your M.I.Q. (Melodic Indecipherability Quotient).

Peel the skin right off people's ears with flailing blurscales . . . Hear them scream happily!

Get an F.D.A. approved list of certified speed enhancers: gonadotrophic hormones, mood destabilizers, steroids, twitch capsules, and incubus zygote implants for creating a seething sonic hellscape!!

***GO FOR IT!! Realize your Potential!
Speed Rules! Whoever gets to the end
of the song first wins it all!***
